

WELCOME TO ART III AND IV!

May, 2008  
Mrs. Dewitz

Prerequisite for Art III: Two full credits of high school art

You, the student, will be able to make the choices of which subjects you want to take for the year. You may take any of them for the whole year if you wish or for 1 quarter, a semester, or 3 quarters. Since you do not have a potters wheel available to you, you will not have that option. The drawing, painting, and sculpture lists you may do in any combinations you want. Art history is offered for one 9 week period only. If there is something that you would like to do that is not listed, please give me a call this school year (May, 2008) at 475-2243 at the Steele School (central time) any day of the week before school from 9 a.m. to 10:15 or after school at 3:20. You may also come into the ITV classroom if I have a class this year with your school or e-mail me.

I would like a copy of the enclosed sheet indicating your choices (circle the ones you wish to take) with your name, address, phone number, and e-mail address. I may wish to contact you for additional information. Please keep a copy for yourself.

I look forward to meeting you and having you in my class.

**I would like to have this information this week so that I can send supply lists to the school.**
